IDENTIFIERS Anthropology Curriculum Project

ABSTRACT

Part of the Anthropology Curriculum Project, the bibliography lists reprints on archaeology. Intended for use by social studies teachers, college instructors, and students, the document aims to stimulate research related to anthropology and education, to suggest course readings, and to contribute to the visibility of anthropology as a school subject. The bibliography is presented in three parts. Part I lists reprints of journal articles, popular magazine articles, conference articles, excerpts from site reports, and excerpts from books alphabetically by author. Subject areas of the reprints include the history of archaeology, archaeological theory and methods, art, language, area studies, and information from related disciplines such as geology, geography, and physical anthropology. For each citation, information is presented on date of publication, title, title and date of journals in which the article has been reprinted, and pages within each journal where the reprint can be located. Part II provides an index to the reprints by world area and subject. Part III lists the anthologies and other sources used in the bibliography. Each citation includes a list of the reprinted articles and excerpts. (DB)

ADDENDUM 120

FOREWORD

KEY ARTICLES AND PORTIONS OF SIGNIFICANT MONOGRAPHS ARE VALUABLE READING FOR STUDENTS AND TEACHERS OF ANTHROPOLOGY. LOCATING SUITABLE ITEMS IS A DIFFICULT TASK FOR NON-SPECIALISTS AND THOSE WITHOUT ACCESS TO MAJOR LIBRARIES. THE COST OF PURCHASING MUCH OF THE MATERIAL HAS BECOME PROHIBATIVE. TEACHERS ARE OFTEN RELUCTANT TO SUBJECT THESE SCARCE RESOURCES TO THE WEAR AND TEAR OF USE BY LARGE NUMBERS OF STUDENTS. AN IMPORTANT PARTIAL SOLUTION TO THIS PROBLEM HAS BEEN PUBLICATION OF ANTHOLOGIES AND REPRINTS. SUCH COLLECTIONS REPRESENT CAREFULLY SELECTED LITERATURE. IN ADDITION, THEY MAY BE THE ONLY PRACTICAL SOURCE FOR MANY OF THE ITEMS. HOWEVER, LOCATION OF REPRINTS OF MATERIAL ON PARTICULAR TOPICS CAN BE A DIFFICULT TASK.

DANIEL VARISCO HAS PERFORMED A GREAT SERVICE BY RESEARCHING OUT AND COMPILING A BIBLIOGRAPHY OF ARTICLES ON ARCHAEOLOGY THAT HAVE BEEN REPRINTED IN VARIOUS COLLECTIONS. THE BIBLIOGRAPHY OF REPRINTS IN ARCHAEOLOGY WILL GREATLY SIMPLIFY THE TASK OF LOCATING AVAILABLE LITERATURE. IT IS DESIGNED FOR SCHOOL TEACHERS, COLLEGE INSTRUCTORS, AND STUDENTS. SPECIALISTS IN ARCHAEOLOGY WILL PROBABLY HAVE ACCESS TO THE ORIGINAL PUBLICATIONS.

THE ANTHROPOLOGY CURRICULUM PROJECT, UNIVERSITY OF GEORGIA, WAS FUNDED DURING THE PERIOD 1964-1969 AS ONE OF THE OFFICE OF EDUCATION "PROJECT SOCIAL STUDIES." SINCE 1969 THE PROJECT HAS CONTINUED WITH LIMITED FUNDING BY THE UNIVERSITY OF GEORGIA. ITS OBJECTIVE IS TO STIMULATE RESEARCH RELATED TO ANTHROPOLOGY AND EDUCATION AND TO HELP MAINTAIN THE VISIBILITY OF ANTHROPOLOGY AS A SCHOOL SUBJECT.

THIS IS THE THIRD IN THE BIBLIOGRAPHY SERIES. THE FIRST WAS ETHNOGRAPHIC APPROACHES TO RESEARCH IN EDUCATION BY HARRY F. WOLCOTT, AND THE SECOND WAS THE STUDY AND TEACHING OF ANTHROPOLOGY WITHIN ACADEMIC INSTITUTIONS BY SUSAN DWYER-SHICK. THE PUBLICATION AND DISSEMINATION OF THESE BIBLIOGRAPHIES AND OTHER MATERIALS IS A CONTINUATION OF PROJECT OBJECTIVES.

WILFRID C. BAILEY

M. J. RICE

PREFACE

In recent years a number of anthologies containing reprints of articles in archaeology have appeared, many oriented towards the supplementary reading role in general archaeological courses. Existing bibliographies fail to provide information about reprints. To fill this gap a compilation of reprinted articles on archaeological topics has been undertaken. Both the anthropologist and historian should find this bibliography useful for locating specific articles and assigning course readings.

The value of a reprint is greatest where access to the original is difficult or impossible. Some of the references listed here were originally published in conference proceedings, which many libraries do not have. Often, articles published in obscure journals are hard to track down. A few of the articles in this listing are available in English translation only in the reprint.

As supplementary reading texts for archaeological courses, the anthologies listed in part three of this bibliography can be easily compared for possible adoption in courses. Articles assigned may often be in more than one anthology or source, especially if the article is of some sifnificance. By consulting this listing it may be possible to increase access to a specific article and shorten the waiting at the library reserve desk. Some of the anthologies listed here are available for relatively little cost in second-hand bookstores, and may greatly increase the size and extent of an individual's private library, as well as reduce the need for unwieldy xerox copies.

Sources with reprints of archaeological interest have been checked.

PART ONE LISTS THE REPRINTS ALPHABETICALLY BY AUTHOR. THE FULL CITATION FOR EACH ARTICLE OR EXCERPT IS GIVEN. AFTER EACH ITEM FOLLOWS THE SOURCE OR SOURCES IN WHICH IT WAS REPRINTED. PART TWO PROVIDES AN INDEX TO THE REPRINTS WHICH IS DIVIDED BY WORLD AREA AND THEN, SUBJECT. PART THREE LISTS THE ANTHOLOGIES AND OTHER SOURCES USED. EACH CITATION INCLUDES A LIST OF THE REPRINTED ARTICLES AND EXCERPTS INCLUDED IN THE BIBLIOGRAPHY.

THE REPRINTS LISTED HERE INCLUDE JOURNAL ARTICLES, POPULAR MAGAZINE ARTICLES, CONFERENCE ARTICLES, EXCERPTS FROM SITE REPORTS AND EXCERPTS FROM BOOKS. THE SUBJECT AREA SPANS A WIDE SPECTRUM OF INTEREST, WITH ARTICLES ON THE HISTORY OF ARCHAEOLOGY, ARCHAEOLOGICAL THEORY AND METHODS, ART, LANGUAGE, SPECIFIC AREAS OF THE WORLD, ETC. A FEW ARTICLES ARE INCLUDED FROM RELATED DISCIPLINES SUCH AS GEOLOGY, GEOGRAPHY AND PHYSICAL ANTHROPOLOGY.

SOME OF THE ANTHOLOGIES INCLUDED HERE GIVE VERY SCANT INFORMATION ABOUT THE ORIGINAL SOURCES USED, ESPECIALLY CERAM 1973/1966, DEUEL 1961, GABEL 1964, RAPPORT & WRIGHT 1964, 1967, AND WHEELER 1967. WHERE POSSIBLE I HAVE ADDED THE APPROPRIATE BIBLIOGRAPHIC INFORMATION, ALTHOUGH IT WAS NOT POSSIBLE TO DO THIS IN EVERY CASE. IT IS HOPED THAT FUTURE EDITORS WILL NOT NEGLECT GIVING SPECIFIC INFORMATION ABOUT THE ORIGINAL CITATIONS. NEW ANTHOLOGIES ARE ALWAYS APPEARING, ESPECIALLY THOSE DESIGNED FOR USE IN ARCHAEOLOGICAL COURSES. THE TWO MAJOR REPRINT COMPANIES, BOBBS-MERRILL AND WARNER MODULES, HAVE CATALOGUES WHICH SHOULD BE CONSULTED REGULARLY.

MOST OF THE RESEARCH FOR THIS BIBLIOGRAPHY WAS CARRIED OUT AT THE LIBRARIES OF THE UNIVERSITY OF PENNSYLVANIA. I WISH TO COMMEND THE SPLENDID WORK OF THE LIBRARIANS IN THE UNIVERSITY MUSEUM LIBRARY. MY

APPRECIATION GOES TO PROFESSOR MARION RICE AND THE ANTHROPOLOGY CURRICULUM PROJECT FOR THEIR ENCOURAGEMENT AND HELP. FINALLY, THANKS ARE DUE MY WIFE, NAJWA, FOR PUTTING UP WITH THIS FOLLY OF MINE AND ALLOWING ME TO CARRY ON A VIGIL AT THE TYPEWRITER.

ORGANIZATION AND USE OF BIBLIOGRAPHY

THIS BIBLIOGRAPHY IS DIVIDED INTO THREE PARTS.

PART ONE LISTS ARTICLES BY REPRINT, ALPHABETICALLY BY AUTHOR. UNDER EACH REPRINT, IN PARENTHESIS, IS GIVEN THE SOURCE OR SOURCES IN WHICH IT CAN BE FOUND.

PART TWO IS AN AREA AND SUBJECT INDEX TO THE REPRINTS.

PART THREE LISTS THE ANTHOLOGIES AND OTHER SOURCES USED, WITH REFERENCE TO THE ARTICLES AND EXCERPTS FOLLOWING EACH.

THE ABBREVIATION KEY, PAGE xi, APPLIES ONLY TO PART THREE.

PART ONE: REPRINTED EXCERPTS AND ARTICLES

Abbott, C. C.

1892 Palaeolithic Man in North America. Science 20:270-1.

(The Archaeologist 1893, I:1:5-9)

Abercromby, John

1912 Bronze Age Pottery of Great Britain. London: Oxford Univ. Pr. (Beaker people: pp. 64, 70-1)

(Hawkes 1963:II:400-403)

Adams, R. M.

1955 Developmental Stages in Ancient Mesopotamia. In Irrigation Civilizations: A Comparative Study. Washington D.C.: Pan American Union.

(Bobbs-Merrill E1; Struever 1971:572-90)

1956 Some Hypotheses on the Development of Early Civilizations. American Antiquity 21:227-32. (Mesoamerica & Mesopotamia)

(Leone 1972:359-64)
